

# can you help?

We have been so overwhelmed with the amazing generosity from our friends and neighbours in the city and surrounding areas who have gathered items together for our Winter Donations Project.

We are **no longer taking donations of general clothing** but are still collecting donations of the following items. We have to be specific in order to make sure that what we receive will really make a difference to those who need it most. **We Need...**

**Bivvy Bags - breathable**

**Sleeping Bags**

**Thermal Roll Mats**

**Thermal Socks and Hats**

## thank you very much!

All donations are given to those who are sleeping rough, in temporary accommodation or receiving support through our projects. As the days get more cold and wet and the Covid Restrictions continue to restrict people's options to get resources your help is really appreciated.

# donation times 10am - 4pm thursday, friday & saturday

Deliver to Giving Hub, Princesshay
